

HVAC IAQ Options / Opportunities

Pre-filter Ionization
Germicidal • Nanoparticulates
• Odor • Filter optimization

MERV 13 Filtration
Germicidal (with ionizer) •
Nanoparticulates (with ionizer)
Allergens • Dust • Pollen •
Large particulates

UV Lights
Germicidal (surfaces,
airstream) • HVAC
efficiency improvement •
Energy savings

PCO Air Purification
Germicidal (airstream) •
VOCs and odor reduction •
Air freshening

Airstream Ionization
Germicidal • Nanoparticulates
• Odor reduction • Air freshening
