**Read Before Use**

## Introduction and Application:

This Ultravation Photronic Portable Air Cleaning System is designed to remove dirt, dust, pollen, and microscopic particles: reduce unpleasant odors, VOC gases and the microbial population from the air that circulates through it.

Step 1: Trapping particles in the washable filter.

Step 2: VOC's and gases such as the fumes from new carpets, paints, nail polish, cigar and cigarette smoke are drastically reduced photo chemically via a patented process known as photo catalytic conversion or photo catalytic oxidation.

Step 3: Germicidal UVC light is applied to the Air to drastically reduce unwanted Viruses and Bacteria

The Ultravation Photronic Portable Air Cleaning System is great for use in your office; on a night stand; or next to the couch on an end table. The size makes it very easy to relocate between home and office.

## Safety Precautions:

**WARNING: UV Hazard. Always protect eyes from ultraviolet light. NEVER look at UV lamps in operation. Do no disassemble unit and operate.**

## Warranty:

Ultravation warrants this product against any defects in material or workmanship for a period of 10 years after date of purchase, with the exception of the disposable media filter, the UV Lamps, the ductwork and installation.

The UV lamps and the battery are warranted for a period of 1 year.

This warranty does not include damage to the unit from accident, misuse or improper installation. If this product should become defective during the warranty period, Ultravation will elect to repair or replace the product free of charge. Ultravation will return repaired or replaced warranted products pre-paid, provided that the product was delivered pre-paid.

Ultravation shall have no responsibilities for charges incurred by the customer for installation or removal of warranted items. Liability is limited only to the replacement or repair of this product.

This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.

All returns must be accompanied by a return authorization number, which may be obtained by contacting Ultravation, Inc.

## Maintenance:

The filter media in your air cleaner must be cleaned periodically. The frequency of filter cleaning is best determined by visual examination. However, an annual cleaning of the filter is strongly recommended.

### Steps for cleaning filter:

1. Unplug unit.
2. Open the filter guard by pulling on a corner.
3. Remove Filter.
4. Rinse filter out with normal tap water.
5. Let filter dry for minimum 15 minutes before replacing it into the unit.
6. Replace filter and snap on filter guard.
