

ATTENTION CONTRACTORS

Use media from Trion, Aprilaire, Honeywell and many more—
WITH ONE FILTER CABINET!

A Unique Opportunity in IAQ Flexibility & Promotion

Ultravation® UF-Series

Universal Fit Media Air Cleaners

**Simplify your business operation
and gain flexibility! Use a
single-sourced media cabinet
that will accept media from
most major brands!**

Available in most common sizes, the UF-Series can streamline inventory and increase profitability. Ultravation UF-Series cabinets enable you to sell your choice of filters as prices and technology fluctuate. You'll have one cabinet source giving you the ability to take advantage of bulk purchase programs and incentives.

- **Rugged galvanized U.S. steel**
- **10-year warranty**
- **Quality powder-coat finish**
- **Custom color match**
- **Custom imprint program**

Proudly Made in USA

Member:

Custom Colors & Imprint Program

We will match *any* HVAC equipment color and/or imprint your logo!

Create impressive, professional installations that build your business!

Contact us to get the details on our easy to manage custom imprint program. Let us know what HVAC equipment manufacturer you would like to match and we will custom paint your UF-cabinets a custom, highly professional look. We can also add your logo and marketing information to any custom or standard door. Your customers will appreciate it!

- **10-year warranty**
- **Quality powder-coat finish**
